The Honorable Barry M. Goldwater
Chairman
Committee on Armed Services
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

We have recently completed a major study comparing the performance of the US and Soviet economies over approximately the last two decades. The last time a study of this type was done was in 1972. We would like you to have a copy because of your interest in this subject. We would also appreciate any comments you may have.

Sincerely yours,

Douglas J. MacEachin
Director
Soviet Analysis
